Aashini,

It has been an amazing journey watching you grow up and now it's hard for us to believe how fast these past eighteen years have flown by. From the day we first held you in our arms and to this day, it's wonderful to see the amazing, beautiful, intelligent, and caring young woman you've become. All along that journey, we've been so proud of you. You are certainly your own person with your powerful voice and views and that is something that you should never change for anyone. As you now move onto college and experience new and exciting wonders and opportunities, stay that strong and confident woman forging your own path.

As you go out there into the world, keep in mind that when you stop being the person who you are supposed to be, you will become the person you are meant to be.

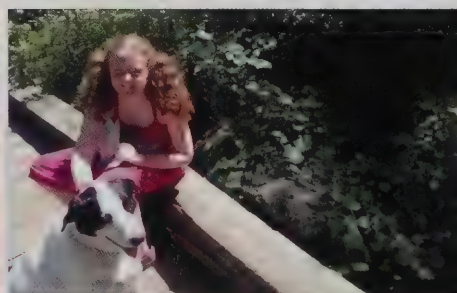

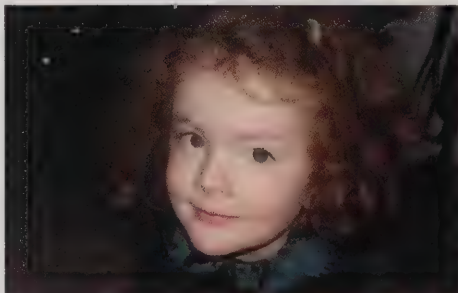

We love you,

Mom, Dad, and Bhai

Congratulations to the Class of 2021!

You made it! You were given a few pretty big lemons and you made lemonade- and more importantly you will be able to handle anything after the time you have had here. Best of luck and the sky is the limit for you all!

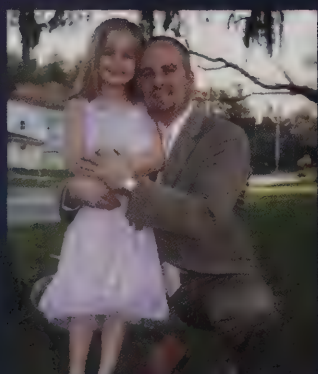

Congratulations Ariana Murphy!!!

Ariana,

18 years ago, we looked into your eyes for the first time, and we fell in love with you instantly! We saw a strong spirit and knew that you were going to be a handful (mother's instinct!), but we wouldn't have it any other way. You are funny, strong, sassy, smart, empathic, loving, and fiercely loyal. But more than anything, you are resilient. Over the past 18 years, you have experienced success, along with your fair share of obstacles and challenges, but there was never a second in which we doubted that you would persevere because of the courage and strength that you have inside. Every moment up until this point has made you the amazing young woman that you are. And every moment has prepared you for what you will face in life from this point forward. You are a gift, and we love you more each day! Our hearts are full and happy as you prepare to graduate from high school! We are so proud of you! Congratulations sweet girl!

We love you! XOXOXO Mom and Dad

Congratulations Ariana! I'm proud of you and what you've overcome! I love you! Jack
